

STRATEGIC PLAN 2020-2024

SULLAMUSSALAM
SCIENCE COLLEGE

SULLAMUSSALAM SCIENCE COLLEGE

A first grade aided college affiliated to University of Calicut, approved by University Grants Commission and accredited by the NAAC with A grade. The College is located on the picturesque hills of Perumparamba on the bank of the Chaliyar, a kilometer away from Areacode town in Malappuram District. The college is run by Muslim Educational Association, an educational organization formed in 1994.

The college was founded with the objective of imparting quality education to backward communities in rural areas of Malabar. Thanks to the Almighty, it has so far triumphed in its objectives, despite various constraints; Now on a stable footing, the college is venturing into new avenues of higher education.

The management believes in the true spirit of education and thus totally against the commercialization of education. No capitation fee is collected for staff appointments and student admissions. The college has consistent excellent academic records and exemplary student democratic activities. Many clubs and forums meant for all-round development of students.

STRATEGIC PLAN

2020 - 2024

The institution is committed to impart quality value based higher education to achieve academic excellence through continual improvement of its scholastic ability. Our goal is to ensure the national and international competitiveness and professional acknowledgement of the Institution with reliable, high quality education, research activities and other services. The Internal Quality Assurance Cell (IQAC) of the college has taken initiatives in the preparation of the strategic plan considering the quality indicators of certain criteria determined by NAAC, in consultation with various stakeholders.

Based on the recommendations of the 2nd cycle NAAC visit in February 2014 and the feedback from the college academic community a combined meeting of the IQAC and staff council was held on 08/08/2014 to prepare a strategic plan. The meeting analyzed the recommendations of the NAAC report in detail and thrust areas were identified to transform the institution to Centre of Excellence. Nine broader areas were identified, viz. Academics with emphasis on Skill based education, Digital and E-learning, Innovation and Entrepreneurship, Research, Student Support, Infrastructure, Green initiatives, Community Service, and Industry Collaboration

STRATEGIC PLAN 2020 - 2024

CONTENTS

1. Vision and Mission
